

Things to do in the...

# CHILDREN'S AREA

*(Northeast corner of 3rd and D)*

1. Create and wear ANTENNAE headwear. Giant bugs will roam the Peach Fest!
2. Hand-sew a PEACH BEAN BAG. We'll bring all the parts to stitch fuzzy peaches of soft-napped fabric with felt leaves, stuffed with beans. This craft is best-suited for children 8 and older or younger children with the help of an adult.
3. Design a TREASURE BOTTLE starting with a recycled water bottle. Young children LOVE this one!
4. Color, cut and fold 3-D SALAMANDERS. This craft begins as a piece of cardstock and turns into a fun critter with wobbly eyes and custom colors. Works for all ages, but especially for those who love to color with markers.
5. String a PEACHY NECKLACE on a ribbon with green salt-dough leaves and peach-dyed macaroni beads. We'll have the parts to create home-made "jewelry."
