

MARYSVILLE PEACH FESTIVAL 2023

SPONSORSHIP OPPORTUNITIES

ABOUT THE MARYSVILLE PEACH FESTIVAL

2023 marks the 23rd Annual Marysville Peach Festival held the third weekend in July each year in historic downtown Marysville.

The idea for a festival celebrating the plump, bright, sweet, juicy fruit came from Jody Sodaro, wife of former peach farmer John Sodaro, who passed away in 2021. Early on, the festival was called the California Peach Festival and was later renamed to Marysville Peach Festival.

The festival celebrates commodities grown in Yuba County including our sweetest, the almighty peach! The Peach Festival would not be possible without the generous support of our sponsors. Sponsors enjoy many perks, including brand exposure to tens of thousands of local and regional residents and visitors.
